PRODUCT DESCRIPTION

- Is your printer placed far from your computer, making standard cables too short?
- This 3-meter printer cable provides a reliable connection while giving you more flexibility in arranging your workspace.
- Designed for stable data transmission between printers and computers for consistent printing performance.
- Ideal for offices, schools, cyber cafés, and home setups where extra cable length is needed.
- Durable construction helps ensure long-term daily use.
- Suitable for most printers that use a standard USB printer connection.

Best For

- Office printing environments
- Home and business setups
- Long-distance printer connections
- Schools and training centers
- Cyber cafés and workstations
