PRODUCT DESCRIPTION

- Watching videos or attending calls on your phone without proper sound or support? This 4-in-1 holder solves both.
- Combines a stable phone holder with built-in wireless speaker for better viewing and audio experience.
- 360° rotation allows flexible angle adjustment for comfortable use.
- HD stereo sound enhances music, videos, and calls.
- Compact and stylish design fits perfectly on desks or tables.
- Suitable for casual use, not a high-end audio system.

□ Best For

- Watching videos, online classes, and calls
- Desk setup for home or office use
