PRODUCT DESCRIPTION

- Tired of power cuts damaging your devices or interrupting your work? The APC Easy UPS BV650I protects your equipment and keeps you running.
- 650VA capacity provides backup power for computers, routers, POS systems, and small office setups during outages.
- Automatic Voltage Regulation (AVR) stabilizes voltage fluctuations, protecting your devices from power surges and drops.
- Instant backup gives you time to save your work and safely shut down your system.
- Reliable APC technology ensures long-term protection for your valuable equipment.
- Compact design fits easily in home or office environments.
- Universal outlets support multiple device connections.
- ⚠ Not for heavy appliances (like fridges or large machines) — designed for electronics and office equipment.
- ☑ Advantage: Power backup + voltage protection = safety for your devices and data.
- ☑ Best For
 - ☑ Computers & Laptops
 - ☑ Routers & Internet Devices
 - ☑ Printers & POS Systems
 - ☑ Offices & Businesses
 - ☑ Home Office Setup
