PRODUCT DESCRIPTION

- Want a clean, powerful desktop that transforms your workspace instantly? The Apple iMac 2017 gives you performance, elegance, and simplicity in one device.
- Powered by Intel Core i5 7th Gen with 8GB RAM and fast 256GB SSD, it delivers smooth performance for office work, browsing, design tasks, and everyday productivity.
- 21.5" Full HD display (1920x1080) provides sharp visuals, vibrant colors, and a comfortable viewing experience for long working hours.
- All-in-One design means everything is built into the screen — no CPU box, no messy cables, just a clean professional setup.
- Running macOS Ventura, giving you a smooth, secure, and premium Apple experience for work and creativity.
- Perfect for offices, reception desks, studios, and home setups where appearance and performance both matter.
- Clean condition (refurbished like new) gives you premium Apple quality at a better price.
- ⚠ Not designed for heavy gaming or high-end 3D work — best for productivity, office tasks, design basics, and everyday use.
- 📺 Advantage: Large display + all-in-one setup saves space and upgrades your entire workspace instantly.

📺 Best For

- 📺 Office & Business Use
