PRODUCT DESCRIPTION

- Want a powerful Apple desktop that can handle serious work while keeping your setup clean and premium? The iMac 2019 Core i7 is built for high-performance users.
- Powered by Intel Core i7 9th Gen (3.2GHz) with 16GB RAM and fast 1TB SSD, it delivers excellent performance for multitasking, professional work, and demanding applications.
- Dedicated Radeon Pro graphics (2GB) allows smooth performance for design work, video editing, and creative tasks.
- 21.5" 4K Retina display (4096 × 2304) gives ultra-sharp visuals, vibrant colors, and a premium viewing experience — perfect for creators and professionals.
- All-in-One design keeps your workspace clean — no CPU box, minimal cables, and a modern professional look.
- Running macOS Ventura for a smooth, secure, and optimized Apple experience.
- Ideal for users who want both performance and a premium setup in one device.
- ⚠ Not designed for extreme gaming — built for productivity, creative work, business, and professional environments.
- 📦 Advantage: i7 + 16GB RAM + 1TB SSD + Radeon Graphics = powerful workstation-level performance in a clean setup.
