☑ 8GB RAM for daily multitasking

PRODUCT DESCRIPTION

- Need a compact business laptop that can also work like a tablet? The Dell Latitude 5290 2-in-1 is a professional touchscreen laptop built for office work, study, meetings, travel, and daily productivity.
- Powered by an Intel Core i5 8th Gen processor, it is reliable for Microsoft Office, browsing, emails, online meetings, reports, presentations, business systems, and normal multitasking.
- 8GB RAM gives smooth daily performance, while the 256GB SSD helps the laptop boot faster, open apps quicker, and respond better than normal HDD storage.
- The 2-in-1 touchscreen design allows you to use it in laptop mode or tablet-style mode, making it flexible for reading, presentations, signing documents, note-taking, and mobile work.
- Compact 12.3-inch display size makes it easy to carry for students, office users, field workers, sales teams, and business professionals.
- Dell Latitude business-class build makes it suitable for users who want a portable work machine with a professional feel.
- ☑ Mchongo huu si wa kukosa
- ⚠ Important: This is a business 2-in-1 laptop, not a gaming laptop. It is best for office work, study, browsing, online meetings, and light productivity tasks.
- ☑ Advantage: Core i5 8th Gen + 8GB RAM + 256GB SSD + touchscreen 2-in-1 design = strong portable business laptop for serious daily work.
- ☑ Best For
 - ☑ Office / Business Work
 - ☑ Students / Wanachuo
 - ☑☑ Light Programming & Online Work
 - ☑ Reports, Excel & Presentations
 - ☑ Browsing & Research
 - ☑ Zoom / Google Meet / Online Classes
 - ☑ Touchscreen Document Review
 - ☑ Travel & Mobile Work
