PRODUCT DESCRIPTION

- Need a compact laptop that is easy to carry but still powerful enough for serious work? The Dell Latitude 5300 is built for productivity on the move.
- Powered by Intel Core i5 8th Gen with 8GB RAM and 256GB SSD, it delivers smooth performance for office work, programming, browsing, and multitasking without slowdowns.
- 13.3" slim design makes it highly portable — perfect for students, professionals, and anyone moving between work, home, or school.
- Backlit keyboard allows you to work comfortably even at night or in low-light environments.
- Built with strong business-class durability, ensuring reliability for daily use.
- HD camera supports clear video calls for meetings, online classes, and remote work.
- Fast SSD storage ensures quick startup, fast file access, and overall responsive performance.
- ⚠ Not designed for gaming or heavy graphics work — focused on productivity and everyday performance.
- ☑ Advantage: Perfect balance between performance and portability — better than bulky laptops for daily movement.

☑ Best For

- ☑ Business Professionals
- ☑ Students / Mwanachuo
- ☑☑ Programmers / Developers
- ☑ Remote Work & Online Meetings
- → Travel & Portability
