PRODUCT DESCRIPTION

- Need a compact business laptop that is easy to carry and suitable for everyday work and study?
 - The Dell Latitude 7350 combines an Intel Core m5 6th Gen processor, 8GB RAM, and a 256GB SSD for everyday productivity, browsing, office applications, and online learning.
 - Its 13.3-inch touchscreen provides an interactive and convenient workspace for documents, browsing, and presentations.
 - The 256GB SSD helps provide faster startup and application loading compared with traditional hard drives.
 - Its compact design makes it suitable for users who need a portable laptop for work, school, or travel.
 - Refurbished condition offers an affordable option for everyday business and educational use.
 - Best suited for basic to moderate tasks rather than demanding gaming or heavy professional applications.
- 📦 Best For
- University students
 - Office and business work
 - Browsing and online learning
 - Microsoft Office applications
 - Remote work and everyday productivity
