Flat Cable Design

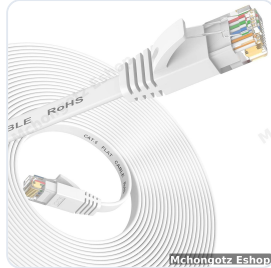

PRODUCT DESCRIPTION

- Need a longer and clean network cable for stable internet connection? This Flat Cat 6 LAN Cable 5M is useful for connecting routers, switches, desktops, smart TVs, printers, CCTV NVRs, and other Ethernet-supported devices.
- The 5M length gives better flexibility for home, office, gaming desk, shop setup, router placement, and short network installations.
- Cat 6 standard supports reliable wired network performance for browsing, streaming, office work, online meetings, gaming, and file sharing.
- Flat cable design makes installation cleaner because it can pass along walls, under carpets, behind desks, and through tight spaces more easily than round LAN cables.
- Available in three color options: Blue, Black, and White — choose the color that matches your setup.
- Advantage: 5M length + Cat 6 performance + flat design + color options = clean and stable network setup for home and office use.
- Best For
 - Home Internet Setup
 - Office Networking
 - Desktop PC Connection
 - Gaming Setup
 - Smart TV Connection
 - Router / Switch Connection
 - Computer Technicians
