PRODUCT DESCRIPTION

- Need to extend your HDMI cable without losing signal quality or dealing with weak connections?
- This HDMI 2.1 coupler solves the problem by connecting two HDMI cables seamlessly for longer reach setups.
- Perfect for users who want high-quality video output for TVs, monitors, projectors, and gaming consoles without signal drop.
- Supports ultra-high resolution up to 8K@60Hz and 4K@120Hz for smooth, clear, and stable display performance.
- Built with durable aluminum housing for better heat resistance and long-lasting usage.
- Limitation: Requires high-quality HDMI cables to achieve maximum 8K performance.

Best For

- Home entertainment setup extension
- Gaming consoles (PS5 / Xbox setups)
- TV & monitor installations
- Projector setups
- Office or presentation screens
