PRODUCT DESCRIPTION

- Need a convenient way to transfer files between your laptop, desktop, and compatible USB-C devices? The HIKSEMI 128GB Dual Flash Drive gives you two connection options in one compact storage device.
 - Dual USB connectivity: Connect to compatible USB-A and USB-C devices without carrying separate flash drives.
 - Fast file transfers: USB 3.2 technology supports read speeds of up to 150MB/s and write speeds of up to 45MB/s, depending on the device and operating conditions.
 - 128GB storage capacity: Keep your documents, photos, videos, music, presentations, and other important files together.
 - Compact silver design: Easy to carry between home, school, and the office.
 - OTG support: Transfer files directly with compatible Android phones and tablets that support USB OTG.
 - Manufacturer specifications list a five-year replacement warranty; confirm local warranty coverage before purchase.
- ☐ Best For
- Transferring files between USB-A and USB-C devices
 - Storing documents, photos, videos, and presentations
 - Students, office workers, and business owners
 - Backing up important files
 - Everyday portable data storage
