## PRODUCT DESCRIPTION

- Is your computer slow when booting or opening applications? This NVMe SSD dramatically boosts speed and responsiveness.
- Designed to deliver faster performance than traditional SATA SSDs, making your system feel instantly quicker.
- Perfect upgrade for users who want faster startup, smoother multitasking, and improved overall performance.
- Compact M.2 design fits modern laptops and desktops without extra cables.
- Note: Requires motherboard with M.2 NVMe slot (PCIe support) to work.

☐ Best For

- Speed upgrade for laptops and desktops
- Students, office users, and everyday performance boost
