PRODUCT DESCRIPTION

- Need a clean, modern desktop setup with touchscreen convenience and strong performance for daily work? The HP CB1023NH All-in-One is built for users who want power, style, and a professional workspace.
- Powered by Intel Core i5 13th Generation processor, it delivers smooth performance for office work, business applications, browsing, online meetings, and daily multitasking.
- 8GB RAM gives stable performance for everyday productivity, while the 512GB SSD ensures quick startup, fast file access, and responsive operation.
- Large 24-inch touchscreen display gives you more workspace and easier control for presentations, browsing, office work, and customer-facing use.
- All-in-One design means the computer is built into the screen — no bulky CPU, fewer cables, and a cleaner desk setup.
- Perfect for offices, reception desks, business counters, home offices, and professional workspaces where appearance matters.
- ⚠ Comes with DOS — Windows installation is required before use.
- 📺 Advantage: Core i5 13th Gen + 24-inch touchscreen + All-in-One design = smart modern workstation for business and productivity.

Best For

- 📺 Offices & Business Use
- 📺 Reception & Front Desk
- 📺 Administrative Work
- 📺 Customer Service Counters
- 📺 Clean Home Office Setup
- 📺 Daily Productivity
