PRODUCT DESCRIPTION

- Want a powerful desktop that keeps your workspace clean while giving you a modern touchscreen experience? The HP CR0047NH G10 All-in-One is built for performance, style, and convenience.
- Powered by Intel Core i7 13th Generation processor, it delivers fast performance for office work, multitasking, business applications, and daily productivity.
- 8GB RAM and 512GB SSD ensure quick startup, smooth operation, and reliable storage for your documents, software, and work files.
- Large 24-inch touchscreen display gives you more workspace and easy interactive control for presentations, browsing, office work, and everyday use.
- All-in-One design means no bulky CPU — fewer cables, cleaner desk, and a more professional setup.
- Windows 11 Home Premium comes installed, so it is ready for modern daily use.
- Perfect for offices, reception desks, home workspaces, and professional environments where appearance matters.
- **Advantage:** Core i7 performance + touchscreen + clean All-in-One design = powerful and modern workstation.

Best For

- Offices & Business Use
- Reception & Front Desk
- Administrative Work
- Clean Home Office Setup
- Professional Users
- Daily Productivity
