PRODUCT DESCRIPTION

- Want a clean, powerful desktop setup without messy cables or a bulky CPU? The HP CR0127 All-in-One gives you performance, style, and workspace simplicity in one machine.
- Powered by Intel Core i7 13th Generation processor, it delivers fast and reliable performance for office work, multitasking, business applications, and daily productivity.
- 8GB RAM and 512GB SSD ensure quick startup, smooth operation, and reliable storage for documents, software, and work files.
- Large 24-inch display gives you a comfortable workspace for long working hours, presentations, browsing, and office tasks.
- All-in-One design means the computer is built into the screen — saving space and keeping your desk clean.
- White finish gives it a modern, elegant, and professional look, perfect for offices, reception areas, and home workspaces.
- ⚠ Comes with DOS — Windows installation is required before use.
- 📁 Advantage: Core i7 performance + 24-inch display + clean All-in-One design = powerful and professional workspace upgrade.
