PRODUCT DESCRIPTION

The HP EliteBook 820 G4 is a compact and reliable business laptop designed for professionals, students, and everyday productivity. Powered by an Intel Core i7 7th Generation processor with 8GB RAM and fast 256GB SSD storage, it delivers smooth performance for multitasking, office work, browsing, and business applications.

The 13-inch display provides clear and sharp visuals while maintaining a lightweight and portable design, making it perfect for users who need performance on the go. Built with durability and premium materials, the EliteBook series is known for its strong performance and long-lasting reliability.

With features like a backlit keyboard, fingerprint reader, and good battery life, this laptop is ideal for both office and remote work environments.
