PRODUCT DESCRIPTION

- Looking for a stylish laptop with a large display and the flexibility of a convertible design?
- The HP ENVY x360 combines an 8th Gen Intel Core i5 processor, 8GB RAM, and a fast 256GB SSD for smooth everyday work, study, browsing, and entertainment.
- Its 15.6-inch display provides a comfortable viewing area for documents, videos, presentations, and multitasking.
- The x360 convertible design allows you to use the laptop in different positions for work, presentations, or entertainment.
- The SSD provides faster startup and application loading compared with traditional hard drives.
- Refurbished condition makes it a practical option for users looking for a premium HP convertible laptop at a lower price.

📁 Best For

- University students
- Office and business work
- Programming and web development
- Online learning and meetings
- Entertainment and everyday productivity
