PRODUCT DESCRIPTION

- Want a monitor that makes gaming, editing, streaming, and multitasking feel smoother and sharper? This OMEN 27" Gaming Monitor gives you a premium QHD display with a fast 240Hz refresh rate for serious performance.
- The 27-inch screen size gives you a wide and immersive viewing experience, ideal for gaming, productivity, design work, movies, and multitasking.
- QHD 1440p resolution gives sharper details than normal Full HD, making games, text, images, and videos look clearer.
- 240Hz refresh rate delivers very smooth movement on compatible gaming PCs, laptops, and consoles, especially for fast-paced games.
- IPS panel gives vivid colors and better viewing angles, making it useful for gaming, content creation, editing, and daily display work.
- Fully adjustable stand allows you to tilt, lift, and pivot the monitor for a more comfortable desk setup.
- Great choice for gamers, designers, streamers, office users, and users who want a premium high-refresh-rate monitor.
- Mchongo huu si wa kukosa
- Important: To enjoy 240Hz at QHD resolution, your PC, laptop, graphics card, cable, and monitor port must support the required display output.
- This monitor is best paired with a capable gaming laptop or desktop to get the full benefit of the 240Hz refresh rate.
- Advantage: 27-inch QHD screen + 240Hz speed + IPS colors + adjustable stand = premium monitor for gaming and professional setups.
