PRODUCT DESCRIPTION

- Need a reliable business laptop that stays smooth even when handling many tasks at once? The HP ProBook 440 G10 with 16GB RAM is built for serious daily productivity.
- Powered by Intel Core i5 13th Generation processor, it delivers fast and stable performance for office work, business tasks, browsing, meetings, and multitasking.
- 16GB RAM gives you stronger multitasking power compared to standard 8GB laptops — perfect when working with many tabs, documents, apps, and business tools.
- 512GB SSD ensures quick startup, fast file access, and enough storage for your work files, software, and documents.
- 14-inch display gives a perfect balance between portability and workspace, making it easy to carry while still comfortable for daily use.
- Professional ProBook design gives a clean business look suitable for office, meetings, and serious work environments.
- Built for durability and long-term use, making it a dependable choice for professionals and students.
- ⚠ Comes with DOS — Windows installation is required before use.
- 📁 Advantage: Core i5 + 16GB RAM + 512GB SSD = strong business performance without jumping to expensive premium models.
