## PRODUCT DESCRIPTION

- Need a powerful laptop that is easy to carry and perfect for working anywhere? The HP ProBook 440 G11 combines performance and portability in one professional device.
- Powered by Intel Ultra 7 14th Generation processor, it delivers fast and smooth performance for business tasks, multitasking, and demanding applications.
- 8GB RAM and 512GB SSD ensure quick startup, efficient multitasking, and reliable storage.
- 14-inch display offers the perfect balance between screen size and portability — ideal for working on the move.
- Lightweight and compact design makes it easy to carry to office, meetings, or travel.
- Professional ProBook design gives a clean, executive look suitable for business environments.
- Built for durability and long-term performance.
- ⚠ Comes with DOS (no Windows installed) — OS installation required before use.
- 📁 Advantage: Ultra 7 power + compact size = high performance with maximum mobility.

### Best For

- 📁 Business Professionals
- ➔ Travelers & Mobile Workers
- 📁 Developers / Programmers
