PRODUCT DESCRIPTION

- Need a reliable business laptop for office work, study, and daily productivity without overspending? The HP ProBook 440 G8 is a smart budget business choice.
- Powered by Intel Core i3 11th Generation processor with speed up to 4.8GHz, it handles browsing, documents, online meetings, emails, and daily office tasks smoothly.
- 8GB RAM gives stable performance for everyday multitasking, while the 256GB SSD helps the laptop start faster and open files quickly.
- 14-inch display gives a good balance between portability and comfortable workspace, making it easy to use at school, office, or home.
- Long battery performance makes it suitable for users who need a dependable laptop for work and movement.
- ProBook business-class design gives it a professional look and better durability than basic consumer laptops.
- ⚠️ Not designed for gaming, heavy editing, or advanced graphics work — best for office, study, business, browsing, and online meetings.
- 📁 Advantage: 11th Gen Core i3 + 8GB RAM + SSD + ProBook build = affordable business laptop with reliable everyday performance.
