PRODUCT DESCRIPTION

- Want a small, portable laptop that is still powerful enough for serious work? The HP ProBook x360 11 G4 EE gives you both performance and flexibility in one compact device.
 - Powered by Intel Core i5 8th Gen (up to 3.9GHz) with 8GB RAM and 256GB SSD, it delivers smooth performance for office work, multitasking, programming basics, and everyday use.
 - 360° x360 design + touchscreen allows you to switch between laptop and tablet modes — perfect for note-taking, presentations, and flexible work environments.
 - Compact 11.6" size makes it extremely portable — ideal for students and professionals always on the move.
 - Strong ProBook build quality ensures durability for daily use, especially in school and business environments.
 - Fast SSD storage ensures quick boot time and responsive performance.
 - ⚠ Small screen size may not be ideal for users who prefer large displays for long work sessions.
 - 📁 Advantage: i5 processor + touchscreen + x360 flexibility — better performance than most small budget laptops.
- 📁 Best For
- 📁 Students / Mwanachuo
 - 📁 Office Work & Business Tasks
 - 📁 Basic Programming
 - 📁 Online Classes & Remote Work
 - 📁 Travel & Portability
 - 📁 Presentations & Note-taking
