PRODUCT DESCRIPTION

- Need one keyboard that works across your phone, tablet, and laptop without reconnecting every time?
- The K220 multi-device wireless combo lets you switch between up to 3 devices instantly, making multitasking smooth and efficient.
- Compact and portable design makes it perfect for travel, study, or remote work setups.
- Backlit keyboard and RGB mouse add style while improving visibility in low light.
- Smaller layout may not suit users who prefer full-size keyboards with number pads.

☐ Best For

- Multi-device users (phone, tablet, laptop)
- Students, remote workers, and travel setups
