PRODUCT DESCRIPTION

- Need a simple, affordable laptop that can last all day on battery? The Lenovo 300e is built exactly for that.
- Powered by Intel Celeron N4120 (up to 2.4GHz) with 4GB RAM and 128GB SSD, it handles basic tasks like browsing, online classes, Microsoft Office, and video streaming smoothly.
- 360° Yoga x360 design + touchscreen lets you switch between laptop, tablet, tent, and stand modes — perfect for note-taking, presentations, and flexible use.
- Up to 13 hours battery life means you can use it all day without worrying about charging — a huge advantage for students and travel.
- Slim, lightweight, and portable — easy to carry anywhere for school, work, or daily use.
- Built with durable ThinkPad-style construction, making it reliable for everyday handling.
- ⚠ Not suitable for heavy software, gaming, or advanced multitasking — designed for basic to moderate use.
- Best value for users who want battery life + flexibility + affordability in one device.
