PRODUCT DESCRIPTION

The Lenovo ThinkPad T450 is a durable and reliable business laptop built for everyday productivity and basic computing tasks. Powered by an Intel Core i5 5th Generation processor with 4GB RAM and 500GB HDD storage, it is suitable for office work, internet browsing, document editing, and light applications.

The 14-inch display offers clear visuals for daily use, while the classic ThinkPad design ensures strong build quality and comfortable typing with its well-known keyboard.

This laptop is a great choice for students, small business users, and anyone looking for an affordable and dependable machine for basic tasks.
