PRODUCT DESCRIPTION

- Experiencing unclear audio or microphone issues during calls or online classes?
- The Logitech H151 Headset delivers clear stereo sound and a noise-cancelling microphone for smooth communication.
- With a 3.5mm jack, it works with a wide range of devices including laptops, phones, and tablets.
- In-line controls make it easy to adjust volume or mute without interrupting your work.
- Note: Requires a 3.5mm audio port (single combo jack for full functionality).

□ Best For

- Online classes, calls, and meetings
- Users needing a versatile headset for multiple devices
