PRODUCT DESCRIPTION

- Is your laptop or desktop speaker too quiet for music, movies, or online meetings?
- The Mini D7 Multimedia Speakers provide clear stereo sound in a compact design, making them ideal for everyday entertainment and work.
- Powered via USB and connected through a 3.5mm AUX jack, they are easy to set up with no drivers required.
- Built-in volume control lets you adjust sound quickly without using your computer settings.
- Compact size fits neatly on any desk while delivering better audio than built-in laptop speakers.
- Ideal for everyday multimedia use, online classes, and office work. Not intended for large rooms or professional sound systems.

- ▣ Best For
- Laptop users
 - Desktop computer users
 - Online meetings and virtual classes
 - Music and video playback
