PRODUCT DESCRIPTION

- Want to connect flash drives, keyboard, or mouse directly to your phone? This OTG kit makes it possible.
- Allows your smartphone to read USB devices like flash disks, mouse, keyboard, and more.
- Compact and easy to carry—perfect for mobile productivity and file transfer.
- Plug-and-play design with no need for additional software on most supported devices.
- Ideal for transferring files quickly without needing a computer.
- Only works with phones that support OTG functionality.

□ Best For

- Smartphone users needing USB connectivity
- File transfer, mobile work, and accessories connection
