PRODUCT DESCRIPTION

- Tired of messy cables on your desk or limited movement while working? This wireless combo gives you clean and flexible control.
- Compact 24cm keyboard saves space while still offering comfortable typing for daily tasks.
- Wireless connection allows smooth use without cable clutter, ideal for home or office setup.
- Comes with matching mouse for complete productivity in one package.
- Multi-system compatibility supports use with Windows and other common systems.
- Best for everyday use, not designed for heavy gaming or advanced typing needs.

☐ Best For

- Office work, home use, and students
- Clean desk setup with wireless convenience
