PRODUCT DESCRIPTION

- Want a stylish mouse that stands out while still being practical for daily use?
- Unique transparent design gives your workspace a modern and eye-catching look
- Dual-mode connectivity (Bluetooth 5.2 + 2.4GHz USB) allows easy switching between devices
- Adjustable DPI (800/1000/1400) lets you control cursor speed based on your needs
- Silent clicks provide a quiet working experience in offices or study areas
- Rechargeable battery eliminates the need for constant battery replacement
- Note: Best for office and casual use, not designed for high-performance gaming

☐ Best For

- Office and home users
- Students and users who prefer stylish accessories
