## TECHNICAL SPECIFICATIONS

|           |                         |
|-----------|-------------------------|
| PROCESSOR | N/A (Integrated System) |
| CONDITION | New                     |

## PRODUCT DESCRIPTION

- Struggling with noise distractions while studying, working, or traveling?
- Experience immersive sound with Active Noise Cancellation (ANC) that reduces unwanted background noise
- Enjoy ultra-long battery life with up to 82 hours playtime (ANC OFF) for extended use without frequent charging
- Advanced Bluetooth 5.4 ensures faster, stable, and efficient connectivity
- Switch seamlessly between ANC ON and OFF depending on your environment
- Built for comfort and long listening sessions with a modern over-ear design
- Note: ANC improves focus but may not completely eliminate all external sounds

### Best For

- Office work, travel, and focused study
- Music lovers who want long battery life and noise control

### Technical Specifications
