TECHNICAL SPECIFICATIONS

PROCESSOR	N/A (Integrated System)
CONDITION	New

PRODUCT DESCRIPTION

- Tired of headphones that die quickly or lose connection during use?
- Enjoy long-lasting wireless listening with up to 50 hours playtime on a single charge
- Designed for everyday comfort with large 40mm drivers for clear and balanced sound
- Bluetooth 5.3 ensures stable and faster connection with minimal interruptions
- Supports both wireless and wired (Aux-in) modes for flexibility when battery runs low
- Built-in microphone allows easy calls and online meetings without extra devices
- Note: Best for casual listening and daily use, not studio-level professional audio

Best For

- Students and daily users
- Music, calls, and online classes
