PRODUCT DESCRIPTION

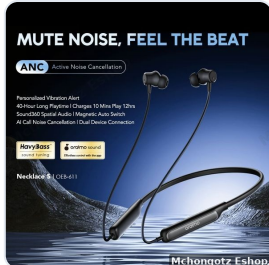

- Need a stronger wireless neckband with active noise cancellation, long battery life, call vibration alerts, and clear sound? The Oraimo Necklace 5 OEB-611 is built for users who want better audio control for calls, music, work, gaming, travel, gym, and daily movement.
- Bluetooth 5.4 gives stable wireless connection for compatible phones, tablets, laptops, and other Bluetooth-supported devices.
- Active Noise Cancellation helps reduce surrounding noise so you can enjoy music, calls, podcasts, and videos with better focus.
- Up to 40 hours playtime with ANC off and up to 28 hours with ANC on gives strong battery support for long daily use.
- Fast charging support gives up to 12 hours playtime from only 10 minutes of charging, useful when you forget to charge before leaving.
- Personalized vibration alerts help notify you of incoming calls, especially when your phone is in your pocket, bag, or away from your hand.
- Sound360 spatial audio gives a more immersive listening experience for music, movies, videos, and casual gaming.
- AI call noise cancellation helps improve voice clarity during calls and online meetings.
- Dual-device connection allows easier switching between two compatible devices, such as phone and laptop.
- IPX4 water resistance helps protect against sweat and light splashes, making it suitable for workouts and daily outdoor use.
- Magnetic auto switch helps power the earphones on or off when the earbuds are separated or clipped together.
- Supports the oraimo Sound app for sound customization and device updates.
- □ Mchongo huu si wa kukosa
- ⚠ Important: IPX4 protection is for sweat and light splashes only. Do not dip or wash the earphones in water.
- ⚠ Battery life depends on volume level, ANC usage, call time, Bluetooth connection, app settings, and charging habits.
- □ Advantage: ANC + 40 hours playtime + fast charging + vibration alerts + dual-device connection = strong neckband earphones for calls, work, gym, travel, and entertainment.
- □ Best For
 - □ Music Listening
 - □ Calls & Online Meetings
 - □ Students / Wanachuo
 - □ Office & Study Use
 - □ Travel & Daily Movement
 - □ Gym, Running & Walking
 - □ Casual Gaming Audio
 - □ Phone & Tablet Users
 - □ Laptop Users
 - □ Users Who Want Noise Reduction
