PRODUCT DESCRIPTION

- Need wireless neckband headphones with long battery life, strong bass, and clear call support? The Oraimo Necklace Lite OEB-311 is a practical everyday neckband headset for music, calls, work, travel, gym, and daily movement.
 - Bluetooth 5.3 gives stable wireless connection for compatible phones, tablets, laptops, and other Bluetooth-supported devices.
 - Up to 30 hours playtime allows you to listen for long hours without charging every time.
 - 220mAh battery capacity gives reliable daily battery support for music, calls, podcasts, online classes, and entertainment.
 - Call vibration alerts help notify you when someone is calling, making it useful when your phone is in your pocket, bag, or away from your hand.
 - Dual-device connectivity allows you to connect two compatible devices and switch more easily between them.
 - Noise cancellation in calls helps reduce surrounding noise so your voice can sound clearer during phone calls and online meetings.
 - 10mm dynamic drivers with bass-focused tuning give a strong music experience for users who enjoy deeper sound.
 - Low-latency game mode helps improve audio response for casual gaming and video watching.
 - IPX4 waterproof support makes it suitable for sweat, gym use, running, walking, and daily outdoor movement.
 - Magnetic earbuds help reduce cable tangling when carrying the neckband.
 - Supports the oraimo Sound app for compatible sound control and product features.
 - 📶 Mchongo huu si wa kukosa
 - ⚠ Important: IPX4 protection helps against sweat and light splashes, but the headset should not be submerged in water.
 - ⚠ Battery life depends on volume level, call usage, Bluetooth connection, app settings, and charging habits.
 - 📦 Advantage: 30 hours playtime + call vibration alerts + dual-device connection + call noise cancellation = reliable neckband headphones for work, travel, calls, and entertainment.
- 📦 Best For
- 📶 Music Listening
 - 📶 Calls & Online Meetings
 - 📶 Students / Wanachuo
 - 📶 Office & Study Use
 - 📶 Travel & Daily Movement
 - 📶 Gym, Running & Walking
 - 📶 Phone & Tablet Users
 - 📶 Laptop Users
 - 📶 Casual Gaming Audio
