PRODUCT DESCRIPTION

- Need a compact power bank for daily phone charging, travel, school, office, and emergency backup? The Oraimo PowerFlow B11 OPB-1102 gives you reliable 10000mAh portable power in a slim and easy-to-carry design.
- 10000mAh / 37Wh capacity provides useful backup power for smartphones and accessories during the day.
- 15W max fast charging support helps charge compatible phones faster than standard low-output power banks.
- Type-C input and output allows you to use the Type-C port for both charging your phone and recharging the power bank.
- 3 output ports allow charging up to three devices at the same time using 2 USB-A ports and 1 Type-C port.
- AniFast smart charging technology helps adjust charging based on compatible connected devices.
- Slim and lightweight design makes it easy to carry in a bag, pocket, school bag, travel pouch, or office setup.
- 3D textured exterior helps improve grip and reduce scratches, smudges, and accidental slips.
- 15-layer smart protection system helps protect against common charging risks such as overheating, overcharging, and short circuit issues.
- Suitable for Android phones, iPhones, tablets, earbuds, smartwatches, Bluetooth speakers, and other USB-powered devices.
- 📱 Mchongo huu si wa kukosa
- ⚠ Important: Charging speed depends on the phone model, cable quality, battery level, and device charging support.
- ⚠ Actual number of phone charges may vary depending on phone battery size, usage, and power loss during charging.
- 📌 Advantage: 10000mAh capacity + 15W output + 3 charging ports + Type-C in/out = strong daily backup power for phone users.
