PRODUCT DESCRIPTION

- Need premium wireless earbuds with strong noise cancellation, deep bass, long battery life, and smart controls? The Oraimo SpaceBuds OTW-630 are built for users who want a better listening experience for music, calls, gaming, travel, work, and daily entertainment.
- 50dB Hybrid Active Noise Cancellation helps reduce background noise, giving you a more focused and immersive listening experience in noisy environments.
- Bluetooth 5.4 gives stable wireless connection for compatible phones, tablets, laptops, and other Bluetooth-supported devices.
- 11mm dynamic drivers with HavyBass™ support deliver stronger bass and fuller sound for music, videos, movies, and entertainment.
- With ANC off, enjoy up to 11 hours playtime from the earbuds, while the charging case provides an additional 29 hours.
- With ANC on, enjoy up to 8 hours playtime from the earbuds, while the charging case provides an additional 21 hours.
- 4-mic AI noise cancellation helps improve voice clarity during calls by reducing surrounding noise.
- Customized voice prompts and personalized lighting effects make the earbuds feel more modern and personal.
- Smart Chat Mode can automatically switch to Transparency Mode and pause music when it detects your voice.
- Dual-device connection allows easier switching between two compatible devices, such as phone and laptop or tablet.
- Low-latency game mode helps improve audio and video sync for gaming and video watching.
- Google Fast Pair support helps compatible Android devices connect faster.
- IPX4 water resistance helps protect against sweat and light splashes, while the product feature also highlights IP54 dust and water protection.
- Supports the oraimo Sound app for sound customization, lighting control, voice prompt settings, and device updates.
- ☐ Mchongo huu si wa kukosa
- ⚠ Important: ANC reduces background noise but does not block every sound completely.
- ⚠ IPX4/IP54 protection is for sweat, splashes, and limited dust protection. Do not dip or wash the earbuds or charging case in water.
- ⚠ Smart Chat Mode may be triggered by chewing, coughing, swallowing, or other unusual sounds.
- ☐ Advantage: 50dB Hybrid ANC + 11mm bass drivers + 40 hours playtime + 4-mic AI calls + smart app controls = premium earbuds for serious daily use.
