PRODUCT DESCRIPTION

- Struggling with noise around you when listening to music or taking calls? The Oraimo SpaceBugs Neo+ help you focus with built-in noise cancellation
- Active Noise Cancellation (ANC) reduces background noise, giving you a more immersive and distraction-free listening experience
- Enjoy clear and balanced sound for music, videos, and calls, making them reliable for everyday use
- Up to 5 hours playtime (ANC OFF) or 4 hours (ANC ON), with an additional 25 / 20 hours from the charging case for extended use
- Bluetooth 5.4 ensures stable connection, fast pairing, and smooth audio within a 10m range
- Compact and portable design makes them easy to carry and comfortable for daily wear
- Type-C charging offers convenient and faster recharging
- ANC reduces noise but may not block all sounds completely — best for moderate noise environments like offices or travel
- Great mid-range option for users who want noise reduction, wireless freedom, and practical daily performance
