PRODUCT DESCRIPTION

- Need a smartwatch with Bluetooth calling, quick message alerts, health tracking, sports modes, and a strong daily-use display? The Oraimo Watch 2 Pro OSW-32 is built for users who want convenience, fitness support, and smart notifications on the wrist.
- 1.75-inch TFT LCD display with 320 × 385 resolution gives a clear viewing area for calls, notifications, fitness stats, health readings, and daily tools.
- Bluetooth calling allows you to make and receive calls directly from your wrist when connected to a compatible smartphone.
- Quick reply support makes it easier to respond to calls and SMS messages on supported Android phones.
- Message reminders help you receive updates from apps directly on the watch, including wider app support on Android and selected popular apps on iPhone.
- Heart rate and blood oxygen monitoring provide daily wellness reference through visualized data.
- Pressure management and sleep monitoring help you understand daily stress patterns and sleep habits.
- 120+ sports modes support workouts, walking, running, gym sessions, cycling, and other daily fitness activities through the oraimo Health app.
- 2.5D tempered glass helps protect the screen from normal daily wear and light shocks.
- IP68 dust and water resistance helps protect the watch against sweat, dust, splashes, and normal daily use conditions.
- Useful tools include weather, world clock, female health tracking, find phone/device, and other daily smartwatch gadgets.
- □ Mchongo huu si wa kukosa
- ⚠ Important: Health and fitness readings are for daily reference only and should not be used as medical results.
- ⚠ IP68 protection helps with sweat, dust, and splashes, but the watch should not be used for hot water, diving, or high-pressure water activities.
- □ Advantage: Bluetooth calling + 1.75-inch display + 120+ sports modes + IP68 protection + 12 months warranty = strong smartwatch value for daily use.

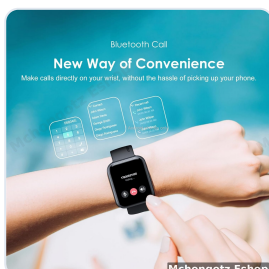

□ Best For

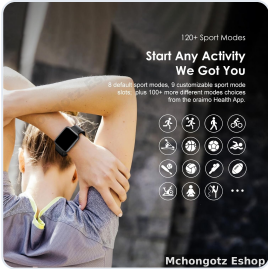

- □ Daily Smartwatch Use
- □ Bluetooth Calling
- □ Quick Replies on Supported Android Phones
- □ Fitness & Sports Tracking
- □ Walking, Running & Gym Use
- □ Students / Wanachuo
- □ Office & Business Use
- □ Phone Notifications
- ♥ Basic Health Monitoring
- □ Travel & Daily Movement
