PRODUCT DESCRIPTION

- Need a smartwatch with a big screen, Bluetooth calling, fitness tracking, health monitoring, and strong daily battery life? The Oraimo Watch 4 Plus OSW-801 is built for users who want smart convenience at an affordable price.
- 2.01-inch TFT display with 240 × 282 resolution gives a large and clear viewing area for calls, messages, watch faces, fitness stats, and daily tools.
- 500 nits bright display helps improve visibility during normal indoor and outdoor use.
- Bluetooth calling allows you to make and receive calls directly from your wrist when connected to a compatible smartphone.
- Quick reply, quick callback, up to 100 contacts, and SOS contact support make communication more convenient on supported devices.
- Up to 7 days normal usage time gives reliable battery support for daily smartwatch use, while standby time can reach up to 30 days.
- 100+ sport modes support running, treadmill, cycling, workouts, and other daily fitness activities.
- 24-hour health monitoring supports heart rate, blood oxygen, respiratory rate, pressure, and sleep monitoring for daily wellness reference.
- IP68 dust and water resistance helps protect the watch against sweat, dust, splashes, and normal daily use conditions.
- Useful tools include world clock, stopwatch, timer, remote camera, flashlight, find phone, and find watch.
- □ Mchongo huu si wa kukosa
- ⚠ Important: Health and fitness readings are for daily reference only and should not be used as medical results.
- ⚠ IP68 protection helps with sweat, dust, and splashes, but the watch should not be used for hot water, diving, or high-pressure water activities.
- □ Advantage: 2.01-inch display + Bluetooth calling + 100+ sport modes + 7-day battery + IP68 protection = strong value smartwatch for daily use.
