PRODUCT DESCRIPTION

- Need a smartwatch with a large display, wireless calling, fitness tracking, health monitoring, and good battery life? The Oraimo Watch 5 OSW-805 is built for daily users who want a stylish and practical smartwatch for work, school, fitness, calls, and notifications.
- 2.01-inch HD full touch display gives a large and clear screen for calls, messages, watch faces, fitness stats, and daily tools.
- Bluetooth 5.2 supports stable wireless connection with compatible smartphones.
- Wireless HD calling allows you to make and receive calls directly from your wrist when connected to a compatible phone.
- Up to 7 days normal usage time gives reliable battery support, while standby time can reach up to 30 days depending on usage.
- Panda Glass helps protect the screen against normal daily wear and light scratches.
- Slim 10.8mm body and 41.4g lightweight design make it comfortable for daily wear.
- All-day health monitoring supports heart rate, blood oxygen, respiration, and sleep tracking for daily wellness reference.
- 105 sports modes support activities such as running, walking, football, tennis, climbing, workouts, and more through the oraimo Health app.
- 1ATM water resistance helps protect the watch against splashes, sweat, and light rain during normal daily use.
- AI-generated watch faces and custom dial options through the oraimo Health app allow you to personalize the watch style.
- Useful tools include remote camera, alarm clock, stopwatch, timer, calculator, flashlight, find my phone, and music control.
- Mchongo huu si wa kukosa
- ⚠ Important: Health and fitness readings are for daily reference only and should not be used as medical results.
- ⚠ 1ATM water resistance is for splashes, sweat, and light rain. Avoid hot water, swimming, diving, or high-pressure water exposure.
- Advantage: 2.01-inch display + wireless HD calling + Panda Glass + 7-day battery + 105 sports modes = strong smartwatch value for daily use.
