PRODUCT DESCRIPTION

- Need a premium smartwatch with AMOLED display, wrist calling, long battery life, health tracking, and stylish design? The Oraimo Watch 5R Pro OSW-830 is built for users who want a strong daily smartwatch for work, fitness, calls, notifications, and lifestyle use.
- 1.43-inch AMOLED display gives sharp visuals, rich colors, and a premium viewing experience for watch faces, calls, messages, fitness stats, and daily tools.
- 2.5D floating interface gives a modern and smooth visual experience, making the watch feel more stylish and advanced.
- Wireless HD calling allows you to make and receive calls directly from your wrist when connected to a compatible smartphone.
- Up to 11 days normal usage time gives strong battery support for daily use, while standby time can go beyond 32 days depending on usage.
- 300mAh lithium polymer battery provides reliable power for calls, fitness tracking, notifications, and daily smartwatch functions.
- 24-hour health monitoring supports heart rate, blood oxygen, breathing exercises, and sedentary reminders for daily wellness reference.
- IP68 waterproof protection helps against dust, sweat, splashes, rain, and normal daily use conditions.
- AI-generated watch faces through the oraimo Health app allow you to customize the watch to match your style.
- Useful tools include remote camera, alarm clock, stopwatch, timer, calculator, flashlight, find my phone, and music control.
- □ Mchongo huu si wa kukosa
- ⚠ Important: Health and fitness readings are for daily reference only and should not be used as medical results.
- ⚠ IP68 protection helps with sweat, dust, splashes, and light water exposure, but the watch should not be used for hot water, diving, or high-pressure water activities.
- □ Advantage: AMOLED display + HD calling + 11-day battery + IP68 protection + 2.5D floating interface = premium smartwatch value for everyday use.
