PRODUCT DESCRIPTION

- Need a stylish smartwatch with a big display, calling support, long battery life, fitness tracking, and daily smart tools? The Oraimo Watch 6 OSW-807 is built for users who want a practical smartwatch for calls, notifications, workouts, office use, travel, and everyday convenience.
- 2.04-inch TFT full touch display gives a large and clear viewing area for calls, messages, watch faces, fitness stats, menus, and daily tools.
- Bluetooth 5.3 supports stable wireless connection with compatible smartphones.
- Wireless HD calling allows you to make and receive calls directly from your wrist when connected to a compatible phone.
- Up to 8 days normal usage time gives strong battery support, while standby time can go beyond 33 days depending on usage.
- 300mAh lithium polymer battery provides reliable power for daily smartwatch use.
- Anti-scratch Panda Glass helps protect the screen from normal everyday wear and light scratches.
- Heart rate, blood oxygen, stress, and sleep monitoring help provide daily wellness reference through supported settings.
- 105+ sports modes support walking, running, cycling, indoor workouts, outdoor activities, and fitness routines.
- IP68 dust and water resistance helps protect the watch against sweat, dust, splashes, and normal daily use conditions.
- AI-generated watch faces and 120+ designs through the oraimo Health app allow you to personalize your watch style.
- Comes with an extra silicone watch strap inside the package for flexible daily styling.
- Mchongo huu si wa kukosa
- ⚠ Important: Health and fitness readings are for daily reference only and should not be used as medical results.
- ⚠ IP68 protection helps with sweat, dust, splashes, and light water exposure, but the watch should not be used for hot water, diving, or high-pressure water activities.
- Advantage: 2.04-inch display + HD calling + 8-day battery + 105+ sports modes + extra strap = strong value smartwatch for daily use.
