PRODUCT DESCRIPTION

- Need a modern refrigerator for home, office, shop, apartment, or small business use? This PMAX 190L Combi Refrigerator gives you reliable cooling space with a top freezer and clean black design.
- 190-litre capacity makes it suitable for storing drinks, food, frozen items, vegetables, fruits, and daily household supplies.
- Comes with a top freezer design, giving you separate space for frozen items while still keeping the main fridge section organized.
- Fast cooling support helps keep food and drinks fresh faster after loading items into the fridge.
- Energy-saving A++ class helps reduce power consumption compared to less efficient refrigerators.
- Freestanding installation makes it easy to place in the kitchen, office, shop, apartment, or business area.
- Two-door combi design gives better separation between freezer and refrigerator sections.
- Glass shelf design gives a clean look and makes it easier to organize items inside the fridge.
- Mchongo huu si wa kukosa
- Important: Allow the fridge to stand upright for some time before switching it on after transport.
- Cooling performance depends on room temperature, ventilation space, power stability, and how often the doors are opened.
- Advantage: 190L capacity + top freezer + fast cooling + A++ energy saving = practical refrigerator for daily home and business use.

Best For

- Home Use
- Office Use
- Small Shops
- Food & Drink Storage
- Frozen Items
- Cold Drinks
