PRODUCT DESCRIPTION

- Running out of storage or experiencing slow performance when recording videos or taking photos? This high-speed SD card ensures smooth and reliable performance.
- Designed for photographers and videographers who need fast write speeds for 4K UHD recording and burst photography.
- Delivers professional-level performance with quick file transfers, saving you time when moving content to your computer.
- Durable and built to handle tough environments, making it ideal for outdoor and travel use.
- Note: Requires compatible device (camera/recorder) to fully utilize high-speed performance.

Best For

- 4K video recording and photography
- Cameras, drones, and professional content creation
