PRODUCT DESCRIPTION

- Need to display the same screen on two monitors at once? This splitter makes it simple and efficient.
- Splits a single VGA signal into two outputs for dual display duplication.
- Ideal for presentations, classrooms, offices, and CCTV monitoring setups.
- Maintains stable signal transmission for clear display across both screens.
- Easy plug-and-play setup with no complex configuration required.
- Displays identical output only (does not extend screen).

☐ Best For

- Offices, schools, and presentations
- CCTV monitoring and display duplication
