PRODUCT DESCRIPTION

- Need internet on the go without relying on fixed WiFi? The TP-Link M7200 lets you stay connected anywhere using a SIM card
- Plug and play SIM card support — no complex setup, just insert your SIM and start browsing
- 4G LTE speeds up to 150Mbps for smooth browsing, streaming, and online work
- Connect multiple devices at once — perfect for sharing internet with phone, laptop, or tablet
- Compact and portable design makes it easy to carry in your pocket or bag
- Up to 8 hours battery life supports all-day usage while traveling or working remotely
- TP-Link tpMiFi App allows easy management of data usage, devices, and settings
- Reliable connection for both personal and small team use
- Limitation: Speed depends on network coverage and SIM provider
