KEY FEATURES

Office Ready

Easy Setup

ADSL2+ Modem + Router Combo

300Mbps Wireless Speed

4 LAN Ports for Wired Devices

Secure WiFi Encryption

PRODUCT DESCRIPTION

- Need a single device to handle your internet connection and WiFi at home or office? This TP-Link modem router combines both in one simple solution
- Built-in ADSL2+ modem allows direct connection to DSL internet without needing a separate modem
- Wireless N speed up to 300Mbps supports browsing, streaming, and everyday online work
- 4 Fast Ethernet LAN ports let you connect wired devices like desktops, printers, and smart TVs
- Stable and reliable connection for small homes and offices
- Easy setup with web interface for quick configuration
- Compact design fits neatly into any workspace
- Ideal for users using DSL/telephone line internet connections
- Limitation: Only supports ADSL connections — not compatible with fiber or standard Ethernet WAN internet
