PRODUCT DESCRIPTION

- Running out of space on your laptop or desktop? This 2TB external hard drive gives you massive storage for all your files.
- Perfect for storing videos, photos, backups, and large documents without worrying about space.
- USB 3.0 connectivity ensures faster data transfer compared to older USB versions.
- Portable design makes it easy to carry your data anywhere safely.
- Note: Slower than SSDs — ideal for storage and backup, not high-speed performance tasks.

□ Best For

- Backup and large file storage
- Students, professionals, and media users
