PRODUCT DESCRIPTION

- Need to connect your external hard drive but your cable is damaged or missing?
- The JEMBE USB 2.0 External Cable provides a reliable connection between your 2.5-inch SATA external enclosure and your computer.
- Ideal for transferring files, backing up important data, and accessing your external hard drive.
- Plug-and-play design allows quick setup without installing additional drivers.
- Compact and lightweight, making it convenient for home, office, or travel use.
- Best suited for USB 2.0 devices. Transfer speeds are lower than USB 3.0 cables.

- ▣ Best For
- External hard drive connection
 - File transfer and backup
 - Replacing damaged HDD cables
 - Home and office use
 - IT technicians
