KEY FEATURES

- High-speed data support
- Laptop and desktop compatible
- 3M Cable Length
- Type A male to female
- USB 3.0 extension cable
- Blue USB 3.0 design
- Printer and USB device support
- Practical office cable

PRODUCT DESCRIPTION

- Need to extend your USB connection without moving your computer or device closer? This USB 3.0 Extension Cable gives you an extra 3M length for connecting USB devices more comfortably.
- Designed with USB Type A male to USB Type A female connectors, making it useful for extending flash drives, printers, USB hubs, keyboards, mouse receivers, webcams, and other USB accessories.
- USB 3.0 support allows faster data transfer than normal USB 2.0 cables on compatible devices.
- The 3M length is practical for office desks, gaming setups, printers, desktop PCs, TV boxes, and devices placed far from the USB port.
- Blue USB 3.0 design makes it easy to identify as a high-speed USB extension cable.
- High-quality cable build makes it suitable for daily use at home, office, school, shop, and technician setups.
- ⚠ Important: Actual transfer speed depends on your USB device, computer port, cable setup, and connected accessory.
- □ Advantage: 3M length + USB 3.0 support + male-to-female extension = practical cable for extending USB devices easily.

□ Best For

- Laptop & Desktop Users
- Printer Connection
- Webcam Extension
- USB Hub Extension
- Mouse & Keyboard Receiver
- Office Setup
- Gaming Setup
- Computer Technicians
